## Notice to Subscribers and Contributors

The Turkish Respiratory Journal (TRJ) is published by Turkish Thoracic Society. TRJ is the official journal of Turkish Thoracic Society, a volume includes three issues (May-August-December).

TRJ focuses on clinical *in vitro* and animal studies that contribute to the understanding of pathophysiology and treatment of diseases that affect the respiratory system and critically ill patients. Original studies, reviews, case reports, editorials, and letters to the editor are invited for publication. Contributors are requested to read "Instructions for Contributors".

All articles published in the Journal are subject to copyrights owned by Turkish Thoracic Society. Reproduction of any article by any means without the expressed prior authorization of Turkish Thoracic Society is prohibited.

The Turkish Respiratory Journal (TRJ) is published with an unrestricted educational grant from

**GlaxoSmithKline**
